AMA Chartered Club Member Patch/Pin/Decal Order Form

Access to AMA-chartered club member patches, pins and decals is one of the many exclusive benefits of chartering your club with the AMA. If your club is currently chartered with the AMA, a recognized officer of your club can order these items. The quantity of the order is restricted to the number of current AMA/ATVA club members listed on your current charter application.

Although you are not permitted to incorporate the AMA-chartered club member logo into individual club items, it is acceptable to wear your individual club patch, pin, or decal beside AMA-chartered club member items.

To order your AMA-chartered club member items, complete and deliver this application to the AMA with a check, money order or credit card information.
