2013 USA ISDE Team Selection Procedure

A Letter of Intent (LOI) is required from each rider who wishes to qualify for the USA ISDE Team. The LOI must be received by the AMA prior to the first qualifier entered by the rider.

The riders who earn a qualified position on the team to represent the United States in the 2013 ISDE must confirm with the AMA their ability to attend the ISDE by June 10, 2013. The 31 rider ISDE team will be announced as early as possible after that date. The ISDE entry fee of 600 Euros ($815.00 USD approx.) will be due at time of confirmation.

The teams will be selected based on the following criteria:

- Trophy Team – 6 riders selected by the AMA ISDE Advisory Committee[1].
- Junior Trophy Team – 4 riders selected by the AMA ISDE Advisory Committee[1].
- Women's World Cup Team – 3 riders selected by the AMA ISDE Advisory Committee[1].
- Senior Club Team – top rider over 40 (Class 4) from OH and ID and one (1) selected by the AMA ISDE Advisory Committee[1].
- 5 Club Teams – top 2 riders in each class (C1, C2 & C3) from OH and ID will be qualified, and three (3) selected by the AMA ISDE Advisory Committee[1].

For 2012 there will be two ISDE Qualifiers and **<u>you need only ride one</u>** qualifier to receive a score.

- **May 25-26** Appalachian Dirt Riders; Wellston, OH
- **June 1-2** Boise Ridge Riders; Idaho City, ID

You must indicate at signup that you are riding LOI.

[1]Riders will be selected by the AMA ISDE Advisory Committee based on Qualifier score, national or international standings for similar type competition, and/or prior ISDE experience. Any or all of these conditions will be considered for team placement with **<u>Qualifier scores being the most important factor</u>**.

The FIM requires that the six (6) member Trophy team have entries in all three (3) Displacement class. The four (4) member Junior Trophy team must have riders in at least two (2) displacement classes and is open to riders who are under 23 years of age at January 1 of the year of the event.

Riders will be eligible to participate on only one team. Your Qualifier score will be used for ranking. For the purposes of qualifying, the three (3) FIM displacement classes will be used to determine eligibility. For the Women's and Senior class any displacement size may qualify.

The class that you qualify in is the class you will compete in at the ISDE.
