www.ktm.com

“first come-first served” basis. No delivery guarantee can be given for orders received after the order deadline.

Motorcycle rental fee will be charged to rider's credit card on Wednesday **August 8, 2018.**

Only fully completed order form with credit card details will be processed and stored. See separate order form.

Order confirmation

KTM importer will confirm the receipt of your order by email.

HANDOVER AND RETURN OF THE RENTAL MOTORCYCLE

Delivery

KTM guarantees the transport to the ISDE paddock. The KTM rental motorcycle will be fully prepared for the handover.

Handover

Handover of rental motorcycles will begin on November 7th, 2018. The time and location will be announced in the paddock. The location will be in or near the paddock.

Return

Return for rental motorcycle including registration documents is the final race day, November 17th, 2018 and it takes place immediately after the final MX test. Return the motorcycle to the same location where it was handed over. Further information on the return of the motorcycle will be available at the KTM stand in the paddock.

In the case of retirement from the race, the motorcycle can be returned early. No refund.

Late charge of \$180 will incur for motorcycle returned after **6.00 p.m. on November 17, 2018** (Contingent on the time schedule of the final motocross test).

The technical and visual condition of the rental bike will be examined and documented upon return.

KTM NORTH AMERICA, INC

1119 Milan Avenue // Amherst, OH 44001 // P: 440-985-3553 // F: 440-985-3060
www.ktm.com

Note: A further charge of **USD \$12,000** applies if rental motorcycle is lost or damage caused through gross negligence. Some scratches, small dents and wear and tear that do not affect the motorcycle's performance, safety or operability are acceptable. Broken or damaged parts that render the motorcycle inoperable or difficult to use need replaced and will incur a charge.

In the event of major damage, such as a blown engine, cracked frame or other damage exceeding **USD \$1,200** the renter will pay maximum amount of **USD \$1,200** in damage fees.

Cleaning charge of USD \$180 will incur if Rental motorcycle is returned dirty and with fuel in the tank.

Storing a Rental Bike at the KTM station is not possible after the bike is handed over. Renter is responsible for the motorcycle starting from the day of pick up until the return.

SPARE PARTS SERVICE

KTM offers a spare parts supply (up to model year 2019) as well as technical and organizational support to all KTM riders participating in the Six Days. Spare parts can be purchased by cash only at the KTM stand in the paddock.

KTM RACE SERVICE

The Race Service is offered to all KTM riders racing with either rental or their own motorcycle.

To reserve the Race Service please send fully completed order form to Antti Kallonen: akallonen@ktmnorthamerica.com Tel. 951-600-8007 ext. 4116

Order deadline - Sunday September 23, 2018

Only fully completed order form with credit card details will be processed and stored. See separate order form.

FAQ

Where do I find the KTM service area?

The KTM service area can be found in the paddock.

Who has access to the KTM service area?

Only rider who has registered for the Race Service has access to the KTM service area + team manager. Must have a KTM provided pass.

Who will help me if I have technical questions?

The KTM support team is available for technical assistance and questions.

Where will motorcycle repairs be carried out?

Repairs are carried out in a designated spot over an environment mat.

Is there any suspension support and where do I find this area?

Suspension support is included in the KTM Race Service and is located in the KTM service area.

Is the use of tools included in the KTM Race Service?

Tools will be made available by the KTM support team for all Race Service customers.

Will tire changing tools and equipment be provided?

Tire changing tools will be provided. You don't need to bring your own tire changing tools.

Will there be technical training for KTM Race Service customers?

There will be a technical workshop with the KTM support team at the KTM service station in the paddock. The exact time will be announced in the paddock.

KTM NORTH AMERICA, INC

38429 Innovation Court // Murrieta, CA 92563 // P: 951-600-8007 // F: 951-600-8866
1119 Milan Avenue // Amherst, OH 44001 // P: 440-985-3553 // F: 440-985-3060
www.ktm.com

Is the provision of fuel included in the KTM Race Service?

The provision of fuel at all service points is included in the Race Service on all race days.

Can I also get spare parts at the service points on the course?

Spare parts (from model year 2018) will be provided for emergency repairs at the service points on the course (parts will be invoiced).

Are air filters included in the KTM Race Service package?

A maximum of 6 air filters are included for each rider during the race week.

How will I recognize the KTM service points along the course?

The service points along the course will be clearly recognizable by KTM tent and KTM flags and banners.

What happens if I require technical assistance during the race?

There will be skilled staff available for technical assistance at each service point.

Will food and drinks be available at the service points?

Drinks, fruits and snacks will be available at all service points.

What is the procedure for personal effects that will be needed on the course?

Should personal effects be required at the service points, these should be clearly labelled and handed in at the KTM service truck in the paddock on the preceding day.

Do I have to carry the KTM spare parts card with me at all times?

The KTM spare parts card must be carried with you for the duration of the entire event. If you lose your card, notify KTM Parts stand at the main paddock.

How many service spots there are in the paddock and along the course?

At the main paddock area there will be 10 spots with enviro mats and 4 spots at the outside service areas.

How many service areas are there in the work area before the start?

The KTM support team will have 4 service spots in the work area before the start.

How will the billing of the spare parts be done?

All spare parts used during the event will be invoiced through your KTM importer about 60 days after the event.

What is the procedure for the provision and return of the motorcycles?

The handover of rental motorcycle begins on November 7, 2018. The time and location will be announced in the paddock. The location is in or near the paddock. The return of the motorcycle is to the same location and will begin right after the final MX race on November 17, 2018

Can I return or exchange unused spare parts?

The return or exchange of spare parts is not possible.

Where can I acquire spare parts?

The spare parts stand is located next to KTM service area in the paddock.

Who will prepare the bikes for the race?

Every customer is responsible for their bike preparation. KTM Service mechanics will support and help the rider with their experience. Every rider is responsible for their bike and all parts that are mounted on the bike.

Where can I store personal material?

KTM provides you a box with your start number on it for the race days. There you can leave tires, tools etc.

Do I have to do the first bike service?

First bike service after your test ride will be supported by the KTM mechanics.

Who will do the de-restriction of my bike?

KTM mechanics will support you with the de-restriction of your bike.

Are substances and auxiliary substances included in the KTM Race Service?

Materials and supplies are included for the duration of the race for all KTM Race Service riders.
