**Re:** **Announcement of AMA Congress Elections/Call for Nominations, 2012-2013 Term**

AMA is pleased to announce the AMA Congress Election and Call for Nominations. The official election for all AMA Congress Delegates and Alternate Delegates will be conducted online using the web-based services of VoteNet Solutions. The election will begin December 1, 2011 and conclude December 31, 2011. Delegates and Alternate Delegates will be elected to serve the two-year term, 2012-2013.

AMA Charter Promoting Clubs and Promoters in good standing and granted such 2011 AMA Charter no later than October 1, 2011 are eligible to vote in this election. **A 'login/password' letter will be mailed in mid-November to the contact person for each club and promoter. The letter will provide a link to the election website, as well as a 'user name' and 'password' to be used by that club or promoter to access and vote on the ballots specific to their AMA District election.**

Incumbent Delegates and Alternate Delegates with expiring terms will automatically be included on the ballots. Nominations for other candidates will be accepted through November 11, 2011. The election website will also support 'write-in' candidate voting during the actual election period.

In preparation for the election, AMA encourages all AMA Charter Clubs, Promoters, current AMA Congress Delegates and candidates to attend the annual meeting of their local AMA Recognized District Organization (RDO). These meetings provide a great opportunity to meet with other AMA Charter Clubs and Promoters, Delegate and Alternate Delegate candidates, and to learn more about the activities of your local RDO. Contact your local RDO for more information about their annual meeting, or visit the AMA Organizers webpage to find a schedule of RDO annual meetings.
